Re: Interconnection Agreement between Verizon New Hampshire  
and Bandwidth.com CLEC, LLC

Dear Ms. Howland:

Bandwidth.com CLEC, LLC and Verizon New England Inc., d/b/a Verizon New Hampshire, hereby file an original and six copies of an interconnection agreement between them effective March 1, 2008, and jointly petition the Commission for approval of that agreement pursuant to Section 252(e) of the Telecommunications Act of 1996 (the Act), 47 U.S.C. § 252(e).

Under the Act, a state commission may reject a negotiated agreement such as this one only if the commission finds that the agreement (or any portion thereof) discriminates against a telecommunications carrier not a party to the agreement, or that the agreement's implementation would not be consistent with the public interest, convenience and necessity. 47 U.S.C. § 252(e)(2)(A). The parties respectfully submit that their agreement meets this statutory standard and therefore request that the Commission approve it. Section 252(e)(4) of the Act provides that if a state commission does not act to approve or reject a negotiated agreement within 90 days after its submission, it shall be deemed approved.
