Comments: I reside in Locke Lake Colony in Barnstead and I am writing to protest the ridiculous rate increase Pennichuck is proposing. I am a single mother of three young children and I fear as a result of the exorbanant increase in the cost of heating oil, gas, the Locke Lake Association dues and now water that has been dealt to us this year, I will lose my home. We had no notification of the over budget cost of these repairs and I feel Penichuck should eat it. I'm pretty confident that I speak for a good amount of residents of Locke Lake and I beg of you not to allow this proposal to go through. Its just too much. I don't know what I'd do if this happens.
