Subject: Birch Hill water rate increase

My husband and I have been full time residents in the Birch Hill development for over 25 years. We are outraged at the proposed rate increases for our water supply.

I understand that there must be some additional costs to residents, but what Pittsfield AqueductCo is expecting us to pay is ludicrous.

I believe that this matter should be looked into as I can find no plausible reason to have to pay over \$2000.00 annually for household water for two people.

Thank you for your time. Nan Cosentino
