Re: DW 08-052 Pittsfield Aqueduct Company, Inc.
Request for Temporary Rate Increase

Dear Ms. Howland,

I am enclosing the Testimony of Michael Ranaldi, President of the Board of Directors as intervener on behalf of Locke Lake Colony Association and its members.

We appreciate your time in reviewing this material and would like to summarize by stating we believe the Pittsfield Aqueduct Company has the right to request and collect upon its actual and provable operating costs for its temporary rate increases, but should not be allowed at this stage any rate increase related to capital improvements. These should be deferred until their entitlement and percentage of such has been established.

Again, thank you for reviewing this material.

Sincerely,

Deana Cowan
