**RE: DW 08-052 Pittsfield Aqueduct Company, Inc.
Motion to Stay Procedural Schedule**

Dear Ms. Howland:

The OCA does not oppose the motion to stay filed by the Company, in part because the Company has agreed to keep temporary rates in effect until the Commission approves permanent rates. At this time, however, we do not agree to a specific revenue increase under the Company's proposal or otherwise.

We are pleased about the Company's efforts to find a non-litigated solution to the issues in this case, and we look forward to working with the Company and parties to explore the Company's proposal.

Respectfully,

Rorie E.P. Hollenberg
