**Re: Lakes Region Water Company
Docket No. 08-DW-070
Record Request for Hearing Exhibits**

Dear Ms. Howland:

On September 30, 2008, the Commission held a hearing on the merits concerning the above-referenced matter. During the hearing, the Commission requested that Lakes Region Water Company provide supplemental information concerning any DES permits for Step 1 projects and all DES permits for the water storage tanks for the Suisseville development.

In addition, the Commission requested a proformed debt and equity statement from the Company and also requested a revised Affiliate Agreement between Lakes Region Water Company and Lakes Region Water Services. Exhibit 3 was reserved for the DES permits. Exhibit 6 was reserved for the proformed debt and equity statement and Exhibit 7 was reserved for the revised Affiliate Agreement. The Company's response is attached along with the excerpt from the hearing transcripts of the dialog leading to the requests.
