Subject: PWW rate increases

Sir/Madam

I am a resident of Nashua and a customer of Pennichuck Water works for the past 8 years. Today, I received a notice in my mail about the proposed increase of nearly 25% and I strongly oppose this change. I do not believe this rate increase is fair and warranted .PWW should not pass on its increased expenses to its customers, especially in the current economic times. I hope the Commission would closely scrutinize the request for this increase and work to either reject or lower the proposed changes to rates.

Sincerely,

Seshadri Dwarakanath
