Re: Northern Utilities, Inc., New Hampshire Division - Docket DG 08-115-  
November 2008 Monthly Cost of Gas Report

Dear Ms. Howland:

Pursuant to the Commission's Order No. 24,912 in Docket DG 08-115, enclosed are an original and one copy of Northern Utilities-New Hampshire Division's current calculation of its projected over or under collection of gas costs ending April 30, 2009 for the 2008-2009 winter period. The Company is also providing reports updated through October 2008 of Northern's: (a) monthly number of transportation service customers and associated gas usage, (b) summary of its hedging transactions and (c) monthly inventory interest calculation.

The calculation, which reflects the gas futures prices of November 18, 2008, indicates an anticipated over recovery as of April 30, 2009 of \$62,160 or -0.13% of the total anticipated gas costs for the winter 2008-2009 period. Northern is not proposing a rate change.

Very truly yours,

*Ronald D. Gibbons*
