**RE: National Grid Affiliate Contracts**

Dear Ms. Howland:

On October 9, 2007 National Grid submitted for filing pursuant to RSA 366:3, the following affiliate agreements:

1. KeySpan Corporate Services LLC Service Agreement; (now known as National Grid Corporate Services, LLC);
2. KeySpan Engineering & Survey Inc. Service Agreement; (now known as National Grid Engineering & Survey, Inc.);

On March 28, 2008, National Grid submitted for filing pursuant to RSA 366:3 an affiliate agreement for KeySpan Utility Services, Inc. (now known as National Grid Utility Services, Inc.).

Each of these agreements contain a service request form (Exhibit II) by which the National Grid subsidiaries can request services from these service companies. The currently effective service request forms expired on December 31, 2008. Consequently, I am submitting for filing Exhibit II renewals for the period January 1, 2009 through December 31, 2009 between :

1. National Grid Corporate Services LLC and EnergyNorth Natural Gas Inc. d/b/a/ National Grid NH;
2. National Grid Utility Services LLC and EnergyNorth Natural Gas Inc. d/b/a/ National Grid NH;
3. National Grid Corporate Services LLC and Granite State Electric Company d/b/a National Grid;
4. National Grid Engineering & Survey Inc. and Granite State Electric Company d/b/a National Grid;

The renewal of Exhibit II has not changed the underlying substance of these agreements and no changes have been made to the services requested on Exhibit II from the previously filed versions of Exhibit II.
