Report to the Public Utilities Commission Detailing PSNH's Distribution Geographic Information
System High Level Design and Plan

Dear Ms. Howland:

On June 28, 2010 the Commission issued Order No. 25,123 in Docket No. DE 09-035 captioned Order Approving Settlement Agreement on Permanent Rates. Article 6.3 of the Settlement Agreement approved by the Commission in that docket required that "Upon approval of the Settlement Agreement, PSNH will initiate and complete a High Level Design for the GIS project by July 1, 2011. The High Level Design will include project management details sufficient to establish milestones, base schedules, budget expenditures, and the vendor selection." PSNH hereby files the requisite High Level Design as required by the Settlement and is intended to comply with the specific requirements contained in Article 6.3.

Very truly yours,
