Re: DT 09-048, Union Telephone Company (Union) and IDT America Corp. (IDT)

Dear Mr. Billek:

On November 18, 2009, Union and IDT jointly filed with the New Hampshire Public Utilities Commission (Commission) an arbitrated Traffic Exchange Agreement (Agreement). The Agreement was filed pursuant to Section 252(e) of the Telecommunications Act of 1996, 47 U.S.C. § 252(e). The Agreement sets forth terms and conditions that will facilitate the provision of telecommunications service by IDT.

The terms of this Agreement were arbitrated in Docket No. DT 09-048. Order No. 25,022 (October 7, 2009) approved the terms of the subject Agreement. Accordingly, the Commission elected to take no further action and pursuant to 47 USC § 252(e)(4), the Agreement took effect by operation of law 30 days after its filing.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
