Re: DG 09-049; Gas Energy Efficiency Programs

Dear Ms. Howland:

On June 24, 2011, EnergyNorth Natural Gas, Inc. d/b/a National Grid NH filed its revised shareholder incentive calculation for its 2010 energy efficiency programs. I am enclosing an original and six copies of the revised calculation so that it may be filed in DG 09-049 as the filing was inadvertently made in DE 10-188. As noted in the June 24 filing letter, National Grid NH revised its shareholder incentive calculations to reflect lifetime MMBTU savings rather than value of savings. This change did not affect the amount of the shareholder incentive.

Thank you for your assistance in this matter.

Very truly yours,

Carol J. Holahan
