OCA Request to Correct Transcript

Dear Ms. Hollenberg:

Thank you for your letter of November 20, 2009, concerning the above referenced dockets and the transcript for a hearing held on September 30, 2009, with respect to which you propose to "replace the words 'going to' with 'can' on page 219, line 11." You asserted that such a change would correct a statement you made during the hearing, and you stated that no party objected to the change.

A copy of your letter was provided to the Commission's Court Reporter, Mr. Patnaude. He reviewed the issue with Ms. Robidas, who prepared the transcript for the September 30, 2009 hearing. Mr. Patnaude reported to me that the proposed change comports with Ms. Robidas' transcription. Accordingly, a copy of this letter is being provided to Mr. Patnaude and the proposed change will be made to the official transcript.

Sincerely yours,

A handwritten signature in blue ink that reads "F. Anne Ross".

F. Anne Ross
