

**THE STATE OF NEW HAMPSHIRE  
PUBLIC UTILITIES COMMISSION**

**DG 09-057**

**ORDER OF NOTICE**

On March 20, 2009, New Hampshire Gas Corporation (NHGC) filed with the New Hampshire Public Utilities Commission (Commission) revisions to its tariff providing for its Cost of Gas (COG) rates for the period May 1, 2009 through October 31, 2009 (2009 Summer Season). Included in the filing were revised tariff pages and supporting materials for the changed rates. The petition and subsequent docket filings, other than information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission website at <http://www.puc.nh.gov/Regulatory/Docket/2009/09-057.htm>.

The proposed COG rate is \$1.0701 per therm, a \$1.1847 per therm decrease from the weighted residential COG rate of \$2.2548 per therm for last summer. The estimated impact of the proposed COG rate and elimination of the deferred revenue surcharge on a typical residential heating customer's summer gas costs will be a decrease of \$208, or 36% compared to last summer.

The filing raises, inter alia, issues related to: RSA 378 and the justness and reasonableness of rates, fares, and charges; the reasonableness of sales forecasts, supplier prices, and transportation prices; reconciliation of prior period costs and revenues; the causes and treatment of a prior period over recovery; and rate impacts resulting from the proposed rate changes.

An additional issue in this docket held over from a prior docket (DG 08-117, NHGC's 2008/2009 Winter COG) includes the question of whether the mechanism that allows

monthly changes in the COG rate without further Commission action should be modified to allow greater flexibility. Each party has the right to have an attorney represent them at their own expense.

**Based upon the foregoing, it is hereby**

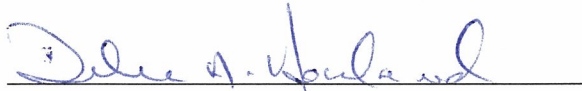

**ORDERED**, that a hearing be held before the Commission located at 21 S. Fruit St., Suite 10, Concord, New Hampshire on April 21, 2009 at 1:30 p.m.; and it is

By order of the Public Utilities Commission of New Hampshire this twenty-fourth day of March, 2009.
