Re: Order# DE 09-067 "Complaint of Clean Power Development, LLC against Public Service of New Hampshire"

Dear Ms. Howland,

The New Hampshire Timberland Owners Association (NHTOA) would like to be included on the service list for Order# 09-067. As New Hampshire's timberland owner and timber industry membership/trade association we have an interest in any project involving the use of whole tree chip for energy production.

Although NHTOA is interested in Order# DE 09-067, at this time we do not wish to seek full intervenor status.

If you have any questions please contact me.

Sincerely,

Jasen A. Stock
Executive Director
