Re: Order #DE 09-067 "complaint of Clean Power Development, LLC against Public Service of New Hampshire"

Dear Ms. Howland:

The City of Berlin would like to be included on the service list for Order #09-067. As the community where Clean Power plans to locate its operation, the City has a vested interest in the opportunities this company could bring to its citizens.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick MacQueen".
