

**STATE OF NEW HAMPSHIRE**  
**PUBLIC UTILITIES COMMISSION**  
**RE: HAMPSTEAD AREA WATER COMPANY, INC.**  
**DW-09-**

**MOTION TO CONSOLIDATE PETITION FOR FINANCING WITH GENERAL RATE**  
**CASE DOCKET 08-065**

Hampstead Area Water Company, Inc. (the Company) hereby moves to Consolidate its Petition for Financing, filed concurrently herewith, with its Petition for Approval of Permanent Rates, filed in Docket DW-08-065 before the Public Utilities Commission (the Commission). In support of its Motion, the Company states as follows:

- 1) Both the capital additions that this financing supports and the replacement financing proposed in the Petition for financing will impact the General Rate Case in DW-08-065.
- 2) The capital additions will involve a step increase, if approved. The replacement financing will result in a decreased rate of return and revenue requirement, which will result in a reduction of the rates requested.
- 3) It would be administratively expedient to allow this consolidation so to avoid further redundant proceedings on these issues in another docket.
- 4) There is no prejudicial effect to any party in allowing the relief requested herein.

WHEREFORE, Hampstead Area Water Company, Inc. respectfully request that the Commission:

- A. Allow the consolidation of the Company's Petition for Financing with its General Rate Case in Docket DW-08-065.

B. Grant such other and further relief as may be just and reasonable.

Dated: 5-14-09

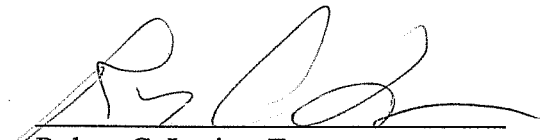

Respectfully submitted,  
Hampstead Area Water Co., Inc.
