Concord, NH 03301-2429

Dear Ms. Howland,

Please find below an attestation in reference to the letter I sent to you on October 25, 2010 requesting that a representative of the New Hampshire Public Utility Commission approve in writing to the NEPOOL GIS Administrator (James Webb) to credit back the 1,655 NH Class III RECs that were generated during Q1 2010 (Unit ID: MSS10959, Facility Name: Johnston – RRIIG Expansion Phase 2) to Nexant's NEPOOL GIS account.

I hereby attest on behalf of Nexant, Inc. that the RECs referenced in the above paragraph have not been used for any other voluntary or regulatory program or purpose while not in circulation within the NEPOOL GIS.

Thank you for your help in this matter.

Best regards,

Paul R. MacGregor, Ph.D.  
Senior Vice President  
Nexant, Inc.
