RE: Docket DE09-251 – Class II Certification on behalf of homeowners

The home with the customer-sited rooftop photovoltaic facilities certified in the above reference docket has been transferred to a new owner / electric account holder effective August 18, 2011. The new owner is Mr. Richard K Moynihan. No other information contained in the original application has changed. Puc 2505.12 requires notifications such as this to be made within 10 days. New Hampshire Electric Cooperative, Inc. requests that the Commission will accept this letter as sufficient notification.
