RE: National Grid Affiliate Contracts

Dear Ms. Howland:

On October 9, 2007, EnergyNorth Natural Gas, Inc. d/b/a National Grid NH and Granite State Electric Company d/b/a National Grid submitted for filing pursuant to RSA 366:3, the following affiliate agreements:

1. KeySpan Corporate Services LLC Service Agreement; (now known as National Grid Corporate Services, LLC);
2. KeySpan Engineering & Survey Inc. Service Agreement; (now known as National Grid Engineering & Survey, Inc.);

On March 28, 2008, National Grid NH submitted for filing pursuant to RSA 366:3 an affiliate agreement for KeySpan Utility Services, Inc. (now known as National Grid Utility Services, Inc.).

Each agreement contains a service request form (Exhibit II) by which National Grid USA subsidiaries can request services from these service companies. The currently effective service request forms expire on December 31, 2009. Consequently, I am submitting for filing Exhibit II renewals for the period January 1, 2010 through December 31, 2010 between:

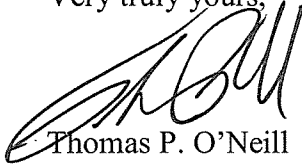

1. National Grid Corporate Services LLC and EnergyNorth Natural Gas Inc. d/b/a/ National Grid NH;
2. National Grid Utility Services LLC and EnergyNorth Natural Gas Inc. d/b/a/ National Grid NH;
3. National Grid Corporate Services LLC and Granite State Electric Company d/b/a National Grid;
4. National Grid Engineering & Survey Inc. and Granite State Electric Company d/b/a National Grid;

Debra Howland

The Exhibit II renewals do not change the underlying substance of these agreements and no changes have been made to the services requested.

Thank you for your time and attention to this matter.

Very truly yours,
