Al-Azad Iqbal  
Utility Analyst III

**SUBJECT:** DM 09-288 Notice of Switch Energy's Intent to Provide Electric Aggregation Service; Staff Recommendation

**TO:** Debra Howland  
Executive Director

Switch Energy has notified the Commission of its intent to provide electric brokerage service on December 30, 2009. There is no provision for registration of brokers pursuant to N.H. Admin Code PUC 2000 *et seq.* After discussing its application with Staff, Switch Energy decided to revise its application. On March 19, 2010 the revised application to provide electric aggregation service was received. The application has been reviewed and the Company has complied with the requirements of Puc 2003.02. Staff recommends that Switch Energy be registered to provide electric aggregation service in New Hampshire.
