Work History

Atlantic Group Energy – President, 2009 - present.

Started AGE with the intent of bringing high level energy procurement services to the small industrial, commercial and municipal market segments. The company has a strong focus on customer relationships, our intent is to form a long term partnership where we understand our client's needs and bring the right purchasing solutions to them.

Titan Energy – Regional Manager, 2005 – present.

Established long term procurement relationships with customers across all market verticals in the southeast MA area. Focused on understanding customers needs in a every changing energy market. Maintained a customer retention rate in excess of 95% with extremely strong references.

FFI – VP Sales, 2003 - 2005

Employee number two, responsible for initial product marketing and branding. Established market vertical based sales plan, then hired and put in place the sales team to execute the plan. Exceeded original business plan sales goals six of eight quarters.

Akula Software – President, 2000 - 2003

Purchased asset of Icras Corp's flagship product "mWorker". Lead team to rewrite the application to conform to the latest .net standards for mobile computing in less than six months. Recaptured 70% of Icras install base and achieved \$8,000,000.00 in sales within the first 18 months. Closed global license deals with BP, Intel and the USMC.

ILT – President, 1995 – 1999

Brought the first work force automation mobile computing solution to market in "96". Raised 4 rounds of increasing value Venture Capital financing. Achieved \$6,000,000.00 in annual sales. Sold the company resulting in an average return of 30 times for investors.

Nuclear Power – Various positions, 1980 – 1995.

Multiple positions from entry level field engineer through Director. Positions were in Construction, Testing, Operations, and Maintenance.
