Re: DG 10-017; National Grid NH 2010 Gas Rate Case

Dear Ms. Howland:

At the April 8, 2010 technical session in the above-referenced docket, it came to our attention that certain hard copies of National Grid's permanent rate filing are missing pages 26-27 of Attachment PMN-5 to the direct testimony of Paul M. Normand. It is unclear how many copies of the Company's filing are missing these pages, though we have confirmed that they were included in the electronic version provided to the Commission.

To ensure that all copies of the filing submitted to the Commission on February 26, 2010 are complete, I enclose six (6) copies of pages 26-27 of Attachment PMN-5 to the direct testimony of Paul M. Normand. They should be inserted after the last page of materials behind Tab 10 in binder 1B of the Company's initial filing.

Sincerely,

A handwritten signature in blue ink, appearing to read "Patrick H. Taylor". The signature is fluid and cursive, written over a horizontal line.

Patrick H. Taylor

Enclosure
