Re: DG 10-041 EnergyNorth Natural Gas, Inc. d/b/a National Grid NH
Integrated Resource Plan
Proposed Hearing Date

Dear Ms. Howland:

The procedural schedule in this docket was suspended on February 9, 2011. Staff proposes the following hearing date for this proceeding: July 14, 2011, 9 A.M. National Grid, Northern Utilities, and Office of the Consumer Advocate concur with this request. We ask that the Commission approve this hearing date.

Staff and National Grid were unable to agree on a date for rebuttal testimony. If such testimony is filed, and depending on the content of the testimony, Staff reserves the right to request a change in the procedural schedule that would include allowing discovery on that testimony.

Thank you in advance with your assistance with this request.

Sincerely,

A handwritten signature in cursive script that reads "Marcia A. B. Thunberg".
