Re: DW 10-090 – Pittsfield Aqueduct Company, Inc. Staff Recommendation Regarding Recovery of Rate Case Expenses

Dear Ms. Howland:

On August 4, 2011, the Commission Staff (Staff) filed correspondence with attachments concerning its recommendation relative to Pittsfield Aqueduct Company, Inc.'s (PAC) request for recovery of rate case expenses in this docket. On August 16, 2011, PAC filed a Motion for Protective Order for certain hourly billing rate information which was contained in copies of invoices submitted in support of its rate case expense filing. Staff's August 4 letter included certain attachments which contained this hourly billing information for which PAC filed its Motion for Protective Order. As such, this letter along with certain redacted attachments serves as a replacement for the original correspondence and attachments concerning this matter filed by Staff on August 4.

On June 20, 2011, PAC submitted a proposal to Staff and the Office of Consumer Advocate (OCA) for recovery of its rate case expenses in DW 10-090. Copies of PAC's cover letter and lead schedule pertaining to rate case expense recovery are attached to this correspondence. PAC's submission was made in accordance with the Settlement Agreement approved by the Commission in Order No. 25,229 dated June 8, 2011.

PAC requested recovery of a total of \$44,997.18 in rate case expenses and proposed that this amount should be recovered from its 639 customers. This would have amounted to \$70.42 per PAC customer to be collected over a twelve month period of via a surcharge included on monthly bills of \$5.87 per customer.

In its submission, PAC also provided copies of invoices in support of its proposed rate case expense costs. Staff reviewed these invoices and submitted discovery to PAC on July 18, 2011. PAC provided responses to Staff's discovery on July 20, 2011. The OCA also submitted discovery to PAC on July 21, 2011 to which PAC responded on August 1, 2011. Copies of PAC's respective discovery responses are attached to this correspondence.

Based on PAC's rate case expense submission and its subsequent discovery responses, Staff is proposing that PAC should be allowed to recover \$44,446.68 in rate case expenses. This represents a \$550.50 decrease from the amount proposed by PAC in its submission and consists of two adjustments.

The first adjustment in the amount of \$540.00 is based on PAC's response to Staff Data Request 4-1 where it is indicated that a particular charge on a legal invoice actually pertains to services performed for PAC's affiliate, Pennichuck Water Works, Inc. The second adjustment in the amount of \$10.50 is based on PAC's response to Staff Data Request 4-2 relative to a minor misallocation of expense for court reporter services.

Based on PAC's proposed method of allocation to its customers, Staff calculates that the allocation per customer of the revised rate case expense amount is \$69.56 ($$44,446.68 \div 639$ customers). Over a 12 month period, the monthly surcharge per customer for rate case expenses amounts to \$5.80.

On July 21, 2011, Staff submitted correspondence to the Commission relative to its recommendation on PAC's proposed recovery of the difference between temporary and permanent rates in this proceeding. In that letter, Staff recommended approval of the recovery amounts proposed by PAC. This included a proposed average recovery from metered customers of \$5.87 per month over a 12 month period. Based on this, it is anticipated that the combination of the rate case expense surcharge and the revenue recovery surcharge for PAC's metered customers would amount to, on average, \$11.67 per month over 12 months. Staff believes that this combined surcharge would be both just and reasonable to PAC's customers.

If you have any questions pertaining to this matter, please do not hesitate to contact either myself or any of the other Staff within the Gas-Water Division.

Dear Mr. Naylor and Ms. Thunberg:

It appears that this charge should be eliminated from rate case expense recovery for PAC. Please confirm.

RESPONSE: The Company agrees.

Request No. OCA 4-1

Date of Response: 8/01/11 Witness: Bonalyn J. Hartley

REQUEST:

Concerning Invoice 2010121314, dated December 10, 2010, please explain the time needed by JP1 and SBK (more than hours) related to drafting a nondisclosure agreement for the OCA in light of the hours spent by JP1 drafting the non-disclosure agreement for Anheuser-Busch. Please provide a copy of the non-disclosure agreement for Anheuser-Busch.

RESPONSE: The time spent regarding the Anheuser-Busch agreement was included erroneously on the bill for this matter, and should have been charged to the Pennichuck Water Works rate case that was pending at the same time. It is the Company's understanding that the time spent by Attorney Knowlton related to reviewing and finalizing the work by Attorney Pak and communicating that work product to the OCA. Attorney Pak was utilized to draft the non-disclosure agreement in order to prepare the document in a timely fashion given the needs of the case, her lower hourly rate, and constraints on Attorney Knowlton's availability. The Anheuser-Busch and OCA agreements were different agreements, and therefore more was involved than simply changing the names of the parties.

Request No. OCA 4-2

Date of Response: 8/01/11 Witness: Bonalyn J. Hartley

REQUEST:

Concerning the reimbursement for travel expenses related to Attorney Knowlton, see, e.g., Invoice 2010081063, dated August 12, 2010, please confirm that for each instance of such reimbursement, Attorney Knowlton did not work during the day in the Concord office of the McLane law firm. If Ms. Knowlton worked in the Concord office during any of the days for which she received mileage reimbursement from the Company, state whether she billed for work for any other client during those days.

RESPONSE: It is the Company's understanding that (1) the reimbursement to Attorney Knowlton for travel expense referenced in the question related to a trip to the Public Utilities Commission to attend a hearing in this case and that Ms. Knowlton's work at the Commission that day related only to Pittsfield Aqueduct Company and Pennichuck Water Works; (2) it is likely that Attorney Knowlton worked on other matters on that and other days, including from the McLane firm's Concord office; and (3) given that Attorney Knowlton's work for the McLane firm primarily involved working via computer or communicating via computer and telephone, her location (other than when it was necessary for her to travel to the Commission for a matter for a particular client) would have no bearing on which clients she was able to work for on any given day. The expense that was reimbursed related entirely to work for the two Pennichuck entities and was split equally between the two so that costs would be properly and fairly allocated.

Request No. OCA 4-3

Date of Response: 8/01/11

Witness: Bonalyn J. Hartley

REQUEST: Please identify any expenses associated with the rate case, which the Company is

not seeking recovery from its customers.

RESPONSE: The Company objects to this request on the grounds that it is not reasonably

calculated to lead to the discovery of information that would be relevant to this

proceeding and it is overbroad and unduly burdensome.

Date Request Received: 7/21/11

Request No. OCA 4-4

Date of Response: 8/01/11 Witness: Bonalyn J. Hartley

REQUEST: Concerning OCA 1-19, please confirm that the Company did not use a

competitive bidding process for the selection of consultants for this rate case. Please provide a copy of any policies related to the procurement of consultant

services for rate cases.

RESPONSE: Please see response to OCA 1-19. The Company does not have a written policy

related to the procurement of consultant services. Rather, the Company selects consultants based on several factors including expertise and familiarity with the

Company which, in turn, provides continuity and efficiency.

REQUEST:

Concerning the Company's Rate Case Expense filing, for expenses charged to

date, a copy of each itemized receipt related to the expenses.

RESPONSE: On June 20, 2011, the Company provided a summary of rate case expenses,

including supporting documentation.

Date Request Received: 7/21/11

Request No. OCA 4-6

Date of Response: 8/01/11 Witness: Bonalyn J. Hartley

REQUEST:

Please identify and explain any charges included in the Company's proposed rate case expense recovery total related to first-class air travel; courier delivery; overnight mail; limousine or private car services; hotel room service; entertainment; recreational activities or services; personal services or alcoholic beverages.

RESPONSE: On June 20, 2011, the Company provided a summary of rate case expenses that includes a description of services rendered. The only expenses related to the above are overnight mail through Unishippers. As the Company performs much of the rate case filing preparation and discovery internally to reduce costs, the Company will need to occasionally send time sensitive documents to its consultants.
