Notice of Pre-Hearing Conference Petition for Increase in Rates

PENNICHUCK WATER WORKS, INC.
July 14, 2010
2:00 p.m.

Pennichuck Water Works, Inc. (PWW) has petitioned the New Hampshire Public Utilities Commission (Commission) for approval of an increase to its rates. PWW has asked for a temporary increase of 10.80% and an overall permanent increase of 19.91% which the company proposes implementing in two phases. PWW's request for this increase is based on increases in its operating costs as well as investment in its plant and treatment systems to ensure continued compliance with the Safe Drinking Water Act. The increase would apply to all customers. The increase for PWW residential general metered customers would be as follows:

| 95ccf | Average Residential Annual Bill | | |
|-------------------------|---------------------------------|--|-----------------|
| | Meter Charge 5/8" | Volumetric Charge in 100 cubic feet | Total Annual |
| Current Rates | \$218.16 | \$274.20 | \$492.36 |
| Proposed Temporary Rate | \$282.12 | \$274.20 | \$556.32 |
| Proposed Permanent Rate | \$313.32 | \$295.08 | \$608.40 |

The Commission has scheduled a Pre-Hearing Conference to be held at the Commission's Offices in Concord on July 14, 2010 at 2:00 p.m. At the Pre-Hearing Conference, the Commission will hear preliminary statements from PWW and other parties, and will consider requests for formal intervenor status. The Commission will also take up the question of the schedule to govern the remainder of the case.

The Pre-Hearing Conference is open to the public. Customers and other interested parties are invited to attend the hearing and comment on the company's request. Those unable to attend the hearing may submit written comments to the New Hampshire Public Utilities Commission at 21 South Fruit Street, Suite 10, Concord NH 03301 or via e-mail at puc@puc.nh.gov Tel: (603) 271-2431 Fax: (603) 271-3878
