Re: Registration Application of Consumer Energy Solutions, Inc. for Electricity Aggregator License

Dear Ms. Howland:

Please find enclosed the following on behalf of Consumer Energy Solutions, Inc., ("CES") for submittal to the State of New Hampshire Public Utilities Commission ("NHPUC"):

- Registration Application for Electricity Aggregator
- Compact Disc with the above-referenced application

CES received its original approval from the NHPUC on June 16, 2006, to provide electric aggregation service in New Hampshire (see DM 06-080). CES also received approval from the NHPUC on June 10, 2008 of CES's application to renew its registration (see DM 08-076). The attached Registration Application for Electricity Aggregator is intended as a request for renewal of those approvals.

Please contact me at your convenience if you have any questions regarding the attached documents or if you require additional information from CES.

Sincerely,

A handwritten signature in cursive script, appearing to read "Michael J. Koehler".
