RE: Union Telephone Company ("Union"); Remove Toll Services

Dear Ms. Howland:

Enclosed please find the original and 8 copies of the following tariff pages:

**Part V Section 1 Fifth Revised Sheet 1
First Revised Sheets 2-4
Second Revised Sheets 5 & 6**

The purpose of this filing is to remove the IntraLATA Toll Services included in Union's Tariff No. 7. These Toll services will be offered through TDS Long Distance Corporation ("TDS LD") on a grandfathered basis, effective April 20, 2010.

This filing is consistent with the representations made in the approval proceeding for the acquisition of Union by TDS Telecommunications Corporation and is the final step in the process of transferring the Union IntraLATA toll customers to TDS LD. Customers will benefit from the larger scale and additional competitive toll offerings available from TDS LD. Customers were notified of this transfer in a letter dated March 15, 2010.

Also enclosed with this filing is a Support Narrative document which contains additional information as required under Puc 1605.02. No other documentation is applicable.

The proposed effective date for removal of the toll services from Union's tariff is May 28, 2010.

If you have any questions or need additional information regarding this filing, please contact me at (608) 664-4169.

Sincerely,
