Re: DT 10-137, Northern New England Telephone Operations, LLC d/b/a FairPoint Communications-NNE, Petition for Authority to Disconnect Global Naps, Inc.

Dear Ms. Howland:

On behalf of The Destek Networking Group I am filing an original and seven copies of the enclosed Appearance and Motion for Emergency Relief. As the Motion points out, Destek believes that a number of NH customers will lose service if FairPoint continues with its plan to shutdown Global Naps inbound traffic without a delay to give customers who were not notified of the disconnection the chance to port numbers to another provider. Destek believes that this shutdown is scheduled to take place on Thursday July 22, 2010, so it is therefore asking for emergency relief.

Thank you for your attention to this matter. Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Patch".
