Dear Ms. Howland:

SUBJECT: DE 10-151 Discovery-- Class IV Renewable Energy Certificate Application for Holyoke Gas & Electric Department Existing Small Hydroelectric Facilities

As requested in your acknowledgement letter to the Holyoke Gas & Electric Department, dated June 3, 2010, I have enclosed a compact disk (CD) containing the filing information relating to Docket No. 10-151. (I have previously sent to you the seven (7) copies of the application information.)

In "Appendix B – FERC Operating Licenses" of our application, FERC 2772 -- Gill Mill A was inadvertently included for Gill Mill D. Attached are seven (7) copies of the correct license and revised Appendix B cover sheet. The file on the CD and the information sent to the service list includes the correct license information for Gill Mill D.

Please contact me if you have any questions or require additional information.

Sincerely,

Jeanette A. Sypek
