RE: Special Contract for Service with Laconia Savings Bank

Dear Ms. Howland:

In accordance with New Hampshire RSA §378:18(b), I have enclosed the original and seven (7) copies of a special contract between FairPoint Communications, Inc. and Laconia Savings Bank for filing with the New Hampshire Public Utilities Commission. This filing includes the billing details of the offering but does not include a cost analysis as the lines are at the tariff rates. This contract is written as it allows the company to terminate up to 20% of the lines without termination liability.

As part of and in support of its filing, FairPoint Communications, Inc. submits records and information that are subject to confidential treatment pursuant to RSA 378:43. These records, which have been marked "confidential", pertain to the provision of competitive services; set forth trade secrets or other confidential information falling within the scope of RSA 378:43, II(b); and are not general public knowledge or published elsewhere, the Company having taken measures to prevent dissemination of the records and information in the ordinary course of business.

Thank you for your attention in this matter.

Please acknowledge receipt of this letter and its enclosures by signing or stamping and dating the receipt copy of this letter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kevin M. Shea".
