RE: NH PUC Docket No. DT 10-184, Crexendo Business Solutions, Inc.  
Certification as a Competitive Local Exchange Carrier (CLEC)

Dear Mr. Steinhart:

The application filed by Crexendo Business Solutions, Inc. (Crexendo) to provide CLEC service in New Hampshire has been approved, as the accompanying certificate attests. Crexendo is authorized to provide services only within the service territory of FairPoint Communications in New Hampshire. Crexendo's registration number is CL-07-001-10.

As Crexendo conducts business in New Hampshire, the Commission expects the company to provide the highest level of customer service. The Commission requires yearly updates of the company's progress which you will provide by filing NH Puc Form CLEC-3 by March 31<sup>st</sup> each year. Upon attaining its first retail customer, Crexendo must file with the Telecommunications Division NH Puc Form CLEC-12, *Initiation of Operations*. Both the CLEC-3 and CLEC-12 forms are available at our web site: [www.puc.nh.gov](http://www.puc.nh.gov). The Commission also requires notification from Crexendo of address changes, restructuring, acquisitions, or other major events as outlined in Commission rules.

Crexendo has not filed a proof of surety bond, and is therefore not authorized to collect customer deposits or billing in advance.

Please refer to Docket No. DT 10-184 and Authorization No. CL-07-001-10 in any future correspondence. If you or Crexendo have any questions, please do not hesitate to contact me in the Telecommunications Division at (603) 271-2431.

Sincerely,

A handwritten signature in black ink that reads "Jennifer Ducharme".

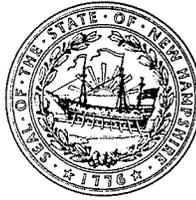

Jennifer Ducharme  
Utility Analyst, Telecommunications
