RE: NH PUC Docket No. DT 10-185, Competitive Local Exchange Carrier (CLEC) Certification of
Teljet Longhaul, LLC

Dear Mr. Kelly:

The application filed by Teljet Longhaul, LLC to provide CLEC service within the FairPoint Communications service territory in New Hampshire has been approved, as the accompanying certificate attests. Teljet Longhaul's registration number is CL-08-001-10.

As Teljet Longhaul conducts business in New Hampshire, the Commission expects the company to provide the highest level of customer service. The Commission requires yearly updates of the company's progress which you will provide by filing NH Puc Form CLEC-3 by March 31st each year. Upon attaining its first retail customer, Teljet Longhaul must file with the Telecommunications Division NH Puc Form CLEC-12, *Initiation of Operations*. Both the CLEC-3 and CLEC-12 forms are available at our web site: www.puc.nh.gov. The Commission also requires notification from Teljet Longhaul of address changes, restructuring, acquisitions, or other major events as outlined in Commission rules.

The services that Teljet Longhaul has listed in its application do not include local voice service and are therefore not eligible for telephone numbers in New Hampshire. Teljet Longhaul should report any local voice service offerings in New Hampshire to the Commission before requesting any telephone number blocks.

Please refer to Docket No. DT 10-185 and Authorization No. CL-08-001-10 in any future correspondence. If you or Teljet Longhaul have any questions, please do not hesitate to contact me in the Telecommunications Division at (603) 271-2431.

Sincerely,
