**RE: DE 10-188 Proposed 2012 CORE & Gas Energy Efficiency Programs
Extension of Rebuttal Deadline**

Dear Ms. Howland:

Today PSNH filed a request for an extension of the settlement filing date in the above-referenced docket, which is supported by all active parties in the docket. Because settlement efforts are continuing beyond today, the OCA respectfully requests that the Commission also grant an extension of the deadline for rebuttal testimony from Friday December 16, 2011 to Monday December 19, 2011. The following parties support or do not object to this request: the Utilities, the Office of Energy and Planning, the NH Community Action Association, and NH Legal Assistance. It is my understanding that Staff does not concur with the request.

Thank you for your assistance.

Respectfully,

A handwritten signature in blue ink, appearing to read "M Hatfield".
