Corrected Tariff pages for Northern Utilities, Inc.,  
Residential Energy Efficiency Loan Program**

Dear Director Howland:

On September 24, 2012, Northern Utilities, Inc. ("Northern") filed a tariff page in the above docket to correct language discussed with Staff. The Northern Gas tariff page was incorrectly paginated "Original Page 154". However, page 154 already exists under the Appendixes section of the currently effective Northern tariff. Please find enclosed the original and six (6) copies of the Corrected tariff page in this docket labeled "Original Page 152-c" in both "clean" and "red-lined" versions. Please substitute the enclosed pages for those previously filed. I apologize for any inconvenience.

Very truly yours,

Rachel Aslin Goldwasser
