SUBJECT: DM 10-190 Renewal Notice of Secure Energy Solutions, LLC's intent to provide electric aggregation service; Staff recommendation

TO: Debra Howland
Executive Director and Secretary

Secure Energy Solutions, LLC (SES) has notified the Commission of its intent to renew its registration as a provider of electric aggregation service. In its original application, the company did not submit Exhibit C with the 'Description of geographic areas of New Hampshire in which the applicant intends to provide service' required under Puc 2003.02 (c) (6). On August 11, 2010, the Company provided Exhibit C with the information. The application has been reviewed and the Company has complied with the requirements of Puc 2003.02. Staff recommends that SES' registration as a provider of electric aggregation service in New Hampshire be renewed.
