Re: **Granite State Electric Company, d/b/a National Grid
System Benefits Charge Tariff**

Dear Ms. Howland:

On behalf of Granite State Electric Company d/b/a National Grid, I enclose filing an original and two copies of National Grid's Sixth Revised Page 77 with regard to its System Benefits Charge Provision. National Grid has revised this tariff provision to reflect the reversion of the System Benefits Charge attributable to the Electric Assistance Program to \$0.00150 (from \$0.00180), and the Energy Efficiency portion of the charge will revert back to \$0.00180 (from \$0.00150) pursuant to the provisions of Senate Bill 300.

Thank you for your assistance with this matter. Please do not hesitate to call if you have any questions.

Very truly yours,

Sarah B. Knowlton
