RE: DE 10-195 PSNH

Petition for Approval of Power Purchase Agreement between PSNH and Laidlaw Berlin BioPower, LLC; Revised OCA Public Testimony

Dear Ms. Howland:

Enclosed for filing please find and original and six copies of a public revised version of testimony of Kenneth E. Traum on behalf of the Office of Consumer Advocate (OCA), along with an Errata sheet explaining the changes. The revision to Mr. Traum's testimony is necessary as a result of a filing made on January 18, 2011 by PSNH in DE 10-257, PSNH's 2011 Energy Service Rate. In that filing, PSNH has released a figure related to the pricing of RECs which was included in Mr. Traum's testimony in the Laidlaw PPA case but was marked confidential. As a result, the full text of Mr. Traum's testimony is now public. We also now have a redacted version of Attachment KET-7 to Mr. Traum's testimony.

In addition, a confidential version of the testimony is still necessary due to other Attachments that still contain confidential information. We will file that version under separate cover.

This public version of the filing has been provided to the parties via email. Thank you for your assistance. Please do not hesitate to contact me if you require additional information.

Respectfully,

Meredith A. Hatfield
Consumer Advocate
