Dear Mr. Ladam:

Please find enclosed an amended Application for CLEC status in New Hampshire. New Hampshire Optical Systems (NHOS) will be beginning to provide Ethernet Line Service, but no local voice service.

We have made the requested change on NHPUC Form CLEC-10, changing the proposed service area from "New Hampshire" to "FairPoint Service Areas in New Hampshire".

Once again, thank you for your consideration of this CLEC application, and please don't hesitate to contact me (cell -978-808-0347) if I can provide any further information or answer questions.

Sincerely,

James R. Carmichael
