**Re: DRM 10-216 – Rulemaking  
Rule Puc 900, Electric Utilities - Net Metering**

Dear Ms. Howland:

Enclosed for filing in the above captioned docket, on behalf of the Electric Utilities (Granite State Electric Company d/b/a National Grid, the New Hampshire Electric Cooperative, Public Service of New Hampshire, and Unitil Energy Systems, Inc.), please find an original and seven copies of comments regarding the proposed PUC 900 rules.

The suggested changes are shown on the attached draft rules. The Electric Utilities have also explained their suggested changes via in-text comments which are highlighted and are identified with the text "REASON FOR CHANGE".

Thank you.

Very truly yours,
