Re: DW 10-217, Tioga River Water Company
Rate Case
Suspension of Procedural Schedule

To the Parties:

On April 19, 2011, Staff filed a request to suspend the procedural schedule in the above referenced proceeding. According to Staff, deficiencies in Tioga River Water Company, Inc.'s (Tioga's) recordkeeping have resulted in inaccurate and/or unverifiable account balances for fixed plant. Staff recommends that these deficiencies be addressed before moving forward with establishment of rates for Tioga. Staff represents that the Parties have concurred with this request.

The Commission has determined to grant the request and suspend the procedural schedule until June 10, 2011 at which time the Parties and Staff should file its recommendation for a procedural schedule or request a continuation of the suspension of the schedule.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".
