Re: DM 10-252, Glacial Energy of New England, Inc.
2013 Alternative Compliance Payment Obligation

Dear Mr. Spillane:

Glacial Energy of New England, Inc. (Glacial Energy) filed a Form E-2500 Annual Renewable Portfolio Standard (RPS) Compliance Filing with respect to the 2013 compliance year, as required to be filed on or before July 1, 2014 pursuant to Puc 2503.03(a) and RSA 362-F:8. This report indicates that the sum of \$353,950 in alternative compliance payments (ACP) is due from Glacial Energy for the 2013 compliance year. Pursuant to Puc 2503.03(c) and RSA 362-F:10, II, this amount was required to be paid to the New Hampshire Public Utilities Commission at the same time as the filing of the Annual RPS Compliance Report, on or before July 1, 2014 either with a check made payable to the State of New Hampshire or through electronic transfer to the renewable energy fund bank account. To date, however, the required ACP has not been received from Glacial Energy.

Please pay this amount in full within ten (10) days of the date of this letter. If full payment is not received, then the Glacial Energy ACP account balance may be subject to further collection action, including eventual referral for collection to the New Hampshire Department of Justice pursuant to RSA 7:15-a. In addition, the Commission may initiate an adjudicative proceeding to impose penalty sanctions of up to \$1,000 per day for each violation of an applicable state statute, pursuant to Puc 2005.01(b).

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".

Debra A. Howland
Executive Director
