Dear Ms. Howland,

At the request of the New Hampshire Public Utilities Commission I am writing to notify the commission that I am the Authorized Representative of Tioga Energy for its NEPOOL-GIS account. I thank the commission for hearing our request and reinstating the NH Class II RECs that were generated during Q2 2012 (summarized in the table below). I can assure the commission that the aforementioned RECs will be used to satisfy RPS compliance obligations in the state of New Hampshire.
