Re: Forest Edge Water Company
Petition for Authority to Finance and Increase Rates

Dear Ms. Howland:

Enclosed please find the original and seven copies of the Petition for Approval of Financing and Step Increase on behalf of Forest Edge Water Company ("FEWC" or "Company"). The filing includes the petition, direct testimony and supporting schedules.

FEWC respectfully requests authority to borrow \$126,000 from the State Revolving Fund. FEWC also respectfully requests authority to increase rates such that annual revenues increase \$11,289. The increase in rates was approved as part of a settlement agreement in DW 08-160, which provided for a step adjustment for capital improvement(s) called for in a feasibility study and completed by the end of 2011.

If you, the Staff and/or the Commissioners have any questions or comments, or need additional information, please contact me directly at 207-282-5222.

Sincerely,

Stephen P. St. Cyr
