Ms. Debra Howland, Executive Director
New Hampshire Public Utility Commission
21 South Fruit St. Suite 10
Concord, NH 03301-2429

Dear Ms. Howland,

In a response to a phone call we have received from Robert Wyatt of your office, we would like to amend our registration application as a natural gas aggregator to comply with the newly adopted rules of September 24, 2010.

Specifically, the entire section of our application marked 3003.02(b)(2)f should be changed to read:

We intend to provide service through all the approved competitive natural gas suppliers listed on the New Hampshire Public Utility Commission web page (<http://www.puc.nh.gov/Gas-Steam/naturalgascompetition.htm>).

We very much appreciate your help with this matter. Please feel free to contact me with any questions or comments you might have.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gary Sunshine'.
