RE: DT 10-281 – WiMacTel, Inc.'s Competitive Local Exchange Carrier  
(CLEC) Certification

Dear Mr. Forte:

The application filed by WiMacTel, Inc. (WiMacTel) to provide CLEC service in New Hampshire has been approved, as the accompanying certificate attests. WiMacTel's registration number is CL-11-001-10.

As a reminder, as WiMacTel conducts business as a CLEC, the Commission expects the company to comply with all applicable administrative rules and provide the highest level of customer service. In particular, the Commission requires yearly updates of the company's progress which you will provide by filing NH Puc Form CLEC-3, CLEC-4 and CLEC-5 by March 31<sup>st</sup> each year. Pursuant to Commission rules, the company must attain its first retail customer within two years of its certification date. At or before that time, WiMacTel must file with the Telecommunications Division NH Puc Form CLEC-12, *Initiation of Operations*. All CLEC forms are available at our web site: [www.puc.nh.gov](http://www.puc.nh.gov). The Commission also requires notification from WiMacTel of address changes, restructuring, acquisitions, or other major events as outlined in Commission rules.

Please refer to Docket No. DT 10-281 in any future correspondence. If you or WiMacTel have any questions, please do not hesitate to contact me in the Telecommunications Division at (603) 271-2431.

Sincerely,

Jennifer Ducharme  
Utility Analyst, Telecommunications
