Re: DM 10-282, Good Energy, LP
Registration as a Natural Gas Aggregator

Dear Mr. Barrios:

On October 22, 2010, Good Energy, LP filed with the Commission an application for registration as a natural gas aggregator, together with the initial application fee of \$250.00.

The Commission has reviewed the application for registration as a natural gas aggregator and has determined that it meets the requirements for registration pursuant to N.H. Code Admin. Rules Puc 3003.04 (Adopted Rule 9-24-10). Therefore, the Commission will approve Good Energy, LP as a natural gas aggregator in the State of New Hampshire, with the registration to be effective November 1, 2010. This initial registration will expire at the end of business on October 31, 2012.

Additionally, please bear in mind that, pursuant to N.H. Code Admin. Rules Puc 3003.05 (a), each aggregator applicant shall re-register with the Commission by filing an application for renewal at least 60 days prior to the expiration of its registration, i.e., in the case of Good Energy, LP, on or before September 1, 2012. Instructions on how to properly file a renewal registration application are located on the Commission website at <http://www.puc.nh.gov/Gas-Steam/CNGS-aggregator%20application%20instructions.pdf>.

All registered Natural Gas Aggregators in the State of New Hampshire are subject to specific requirements spelled out in N.H. Code Admin. Rules Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules (Adopted Rule 9-24-10). These rules can be found on our website at (<http://www.puc.nh.gov/Regulatory/Proposed%20Rules/Puc%203000%20-%20Adopted%20Rule%20-%20Final%20Text.pdf>). If you have any questions regarding these provisions, please contact the Commission. Thank you for your cooperation in this matter.

Sincerely,
