RE: Special Contract for Service with Seacoast Security, Inc.

Dear Ms. Howland:

In accordance with New Hampshire RSA §378:18(b), I have enclosed the original and seven (7) copies of a special contract between FairPoint Communications, Inc and Seacoast Security, Inc. for filing with the New Hampshire Public Utilities Commission. This filing also includes a cost analysis and billing details of the offering.

FairPoint takes its obligation to file such contracts with this Commission very seriously. A review of FairPoint's special contracts in New Hampshire uncovered that this contract had inadvertently not been filed after it was signed with the customer. No other such circumstances were uncovered in this contract review.

As part of and in support of its filing, FairPoint Communications, Inc. submits records and information that are subject to confidential treatment pursuant to RSA 378:43. These records, which have been marked "confidential", pertain to the provision of competitive services; set forth trade secrets or other confidential information falling within the scope of RSA 378:43, II(b); and are not general public knowledge or published elsewhere, the Company having taken measures to prevent dissemination of the records and information in the ordinary course of business.

Thank you for your attention in this matter.

Please acknowledge receipt of this letter and its enclosures by signing or stamping and dating the receipt copy of this letter.

Sincerely,

*TR* **Teresa R. Rosenberger**
