SUBJECT: DM 12-356/DM 10-328 Notice of Usource, LLC's Renewal of Its
Registration as a Provider of Electric Aggregation Service; Staff
Recommendation

TO: Debra A. Howland
Executive Director

Usource, LLC (Usource) filed its application for renewal of its registration as an electric aggregator. Usource previously renewed its application in 2011 (DM 10-328). In approving that renewal, on February 3, 2011, the Commission notified the company that "it is required to refile an up-to-date written notice on or before November 7, 2016 if it continues to offer and provide electric aggregation service". As the present renewal application is premature, based on the discussion with the company, Staff recommends that this docket be treated as an update of its filing under docket DM 10-328, with no further action being taken on the application. Further, Staff recommends that the application fee (\$250) be reimbursed to the company.
