RE: DM 10-328 Notification of Usource, LLC change to geographic service areas

Dear Executive Director:

In response to David Goyette's email from August 27, 2014, I am providing notification to include New Hampshire Electric Cooperative service territory in the description of the geographic areas of New Hampshire in which Usource intends to provide service.

While Usource is not required, at this time, to file the notice of intent to provide aggregation to retail electric customers, I am enclosing updates to the filing from December 10, 2010 for informational purposes with the new service area included as well as USource's new address and update to principal officers.

If you have any questions, please direct inquiries to me at (603) 294-5017 or email macdonalds@usourceenergy.com.

Sincerely,

Scott MacDonald
Managing Director
